# A CLOSET FOR ALL SEASONS

It's a meltdown in Malibu! Thanks to a bit of mischievous tampering, Closet-Barbie's computerized cataloger of all things couture—has been switched to Party Game mode, and he's not letting anyone out of the Dreamhouse™ until they've had their fill of fun, and then some. It's time to get set and get glam as you and the dolls test your dexterity AND your fashion sense against Closet's charming challenges!

# EXPLORING THE DREAMHOUSE

## THE FOYER

Here, in the heart of the Dreamhouse™, you'll have access to everything that a fun-loving fashionista could need! Enter the main hallway to begin a game session, where you can play through and challenge her friends to a series of Closet's games, or you can use the wardrobe on the right to customize your outfit with any of the super-fab fashion items you may have picked up. Head upstairs if you want to adjust the Options, view the Credits, or select a single mini-game to play from among those that you've unlocked.

## INSPIRATION WALL

During your stay at the Dreamhouse™, be sure to check out the Inspiration Wall, located at the left side of the Foyer. This is where Barbie™ keeps all of the fabulous photos you've unlocked of her and her friends, as well as any cute collectibles that you may have found hidden throughout the Dreamhouse™. Check back often to see if Barbie's friends posted any new comments!

# PLAYING THE PARTY

## CHALLENGES

Whenever you enter a new room, Closet likes to kick things off with a quick scavenger hunt. Each of the dolls will need to find a specific item that Closet wants to use for his next game. Search the room carefully, and be sure to check out any places that look like they could be hiding something inside. Once all 4 items have been found, the game will begin. When it's over, head to the exit door, where Closet will let you choose which room you want to visit next.

## MINI-GAMES

Using his advanced artificial intelligence—and absolute control over the Dreamhouse™—Closet has cooked up an exciting bunch of games designed for maximum entertainment.

Each one is themed for a different room, and will have you and the dolls dashing, dancing and dressing up to see who can score the most points!
