ANGER FOOT

ASS KICKER'S HANDBOOK
ANGER FOOT is a lightning fast first-person booter where the only things harder than your ass-kicking feet are the ass-kicking beats. Here's some useful intel to get you started...
SHIT CITY. Never has there been a worse pit of crime and degeneracy. On these mean streets, EVERYONE is in a GANG, and there’s only one rule: CRIME is the LAW. A harsh and cruel place, sure, but also the perfect stomping ground for ANGER FOOT.

The city is run by the four biggest GANGS...

THE VIOLENCE GANG are a ruthless crew of muggers and thieves. THE POLLUTION GANG are the filthiest thugs in town. THE BUSINESS GANG are slick hustlers and corporate fraudsters. THE DEBAUCHERY GANG are the unholiest of hedonists. And all these goons answer to the CRIME MINISTER, who sits at the very tip top of the slippery criminal ladder.

Every pair of SNEAKERS has unique POWERS that can dramatically change how the game plays.

The more SNEAKERS you unlock, the more varied and interesting ANGER FOOT becomes. Experiment with footwear to dive deep into the combat.

Wield these time-tinkering sneakers and when you kick down a door, time will slow down like in that one movie. "There's no rush"

Kicked trash-sniffing flies become allied with Anger Foot, and buzz around enemies causing them distress. Gangs hate bugs. "Pretty fly"

Slide while moving, and suffer greatly reduced accuracy. BUT you can drink beers to sober up and shoot straighter. "We're all drunk and incompetent"

Every weapon's bullet behaves like a shotgun shell, giving even a standard pistol multiple blasts per shot. "Shotguns are just better"

Gives Anger Foot a short burst of rage when doors are kicked, providing faster movement and attack speed. "Stay mad, kick harder"

Circus sounds and confetti explode around you, while enemies deflate and fly around when killed like pathetic balloons. "The shoes of a clown"

“Flight’s not only for the birds”

Retro screen effects and a health bar (with no HP regen) takes you back to the golden era of shooters.

“They don’t make ‘em like they used to”

There’s no ‘best’ shoe in ANGER FOOT. Their individual powers all change the gameplay in wild, unique ways. Like a real sneaker, find the ones that suit your own personal style.
