

Harem in Another World 0.5 Guide/Walkthrough

This is a basic walkthrough of the game to help you if you're stuck. It doesn't go into anything in depth but it highlights the main points. Here's a simple diagram map of the game as it currently stands. Your Home castle is on the left.

Intro: The bowl is on the right hand side of the church, Choose companions tits whilst talking to the king to get an extra scene.

Resources locations:

Wood: House cellar, outside jail, gym , desert crossroads,
Outside akaba, outside desert temple, cave system in forest, goblin village, goblin damaged house, Akaba market, Akaba market house

Stone: Forest by Roma, Stables near graveyard, Abandoned tent in desert, outside desert temple, cave system in Forest, Goblin village main hall, Akaba lead up, run down tavern, high estate entrance

Iron: Cursed cave under house, Nomad camp behind boulder, High estate house

Main Quests

Haunted Mansion:

To get to the abandoned castle go left then up from the town center
The main door is locked but there is a passage on the left.
Go inside passage explore the cave and find the ghost.
Go to Church in town and speak to the lead nun to get talisman.
Return to ghost then go past her into the castle from below.
You can then remove the barricade on the door and exit thorough the front.

No I'm Spartacus!:

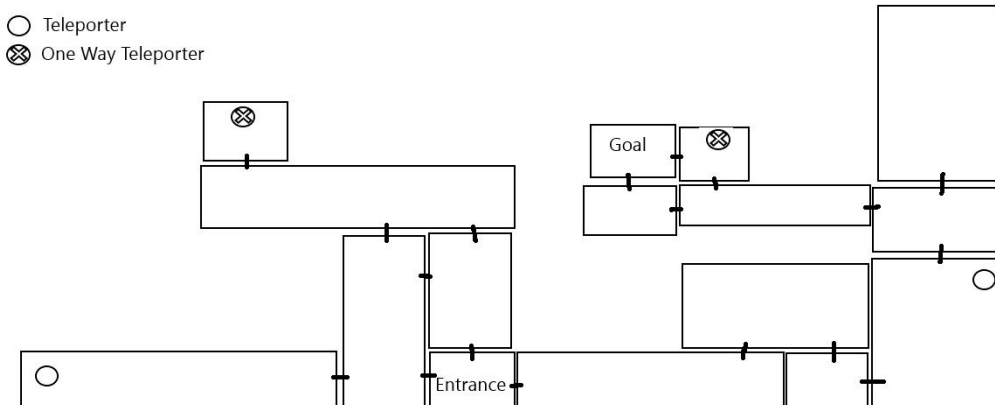

(You must complete the Side quest *Little shop of lovers* to finish this quest)
Speak to Maximus outside the Royal castle.
Purchase arena pass from desk inside Arena and go inside to the back and talk to the Baron.
Each fighter has a weakness you'll need to exploit
Conrick : Beer - Speak to barmaid in the Arena garrison for hint and then collect beers from around arena
Edon : Jewellery - Speak to guard outside arena near statue tells you about jewellery, go home and see glimmer in rubble. Speak to Elsy in the tea shop about upgrading. She upgrade your house and you get handed necklace outside home
Gant: Scrolls- priest inside arena on left hand side tells about scrolls. Find scrolls in item shop , Interact with Scrolls in Gants room to replace them.

Indiana Johnson:

Head towards the Nomad tribe in the desert, to do this you'll need a border pass which you can find in the forest south of Roma.
Talk to the Chieftain in the big tent and agree to help. You'll need to complete the following side quests to progress :
Got wood? Horse whisperer and Prick for a dick.
After three side quests are done you'll receive amulet half. The other half is behind a puzzle in desert, A cave in the area where you find a horse.

With both halves you can go inside the temple. Here's a map of the inside of the temple:

What's Fatty up to now?:
